Bowling this year will be the 2nd, 3rd, and 4th Fridays and any 5ht that fall within the month. We do NOT bowl on Friday Nov 22nd and Dec 27th

The league will consist of 13 teams and will bowl 23 total weeks.

We will bowl two 11 week 1/2s for a total of 22 weeks.

Week 23 (April 18th) will be roll off/sweeper with the banquet of follow. Bowling will start at 6:30 this night.

- 1. No one under the age of 18 or High School students may bowl in the league.
- 2. Will follow USBC guideline rules as published in their book.
- 3. Make Up Rule Any bowler unable to make it due to an emergency situation will have 6 days to make the bowling up. Any team unable to make it due to an emergency or inclement weather will have 14 days to make it up.
- 4. 13 Team League One team will have a bye each week standings will be based on win percentage instead of points won because each team will not bowl the same number of weeks in the halves or for the season.
- 5. Handicap Pins over the team average Example Your team average is 600. Your team rolls 603 for the game and the other team rolls 601; your team would win the point.
- 6. Point System We will use a 9 Point System 2 points per game win 3 points for totals

In the case of an odd number of teams and a BYE, the team bowling against a bye must bowl within 30 pins of your team average for a game and within 90 pins for totals to win any points. Blind Score – Blind will be the bowler with the most games minus 20 pins per game.

Roll Off between the 1st and 2nd half winners will be week 23 to determine the league champion. Any tie for a $\frac{1}{2}$ will be broken by your total pins when the 2 teams tied bowled against each other in that $\frac{1}{2}$.

Use last year's average for first night. If not a league bowler, use highest book average from the 2023-2024 season New bowlers will establish average the first night of bowling.
