1. All bowlers must be 18 years of age and be out of High School to bowl in the league.
2. This league will follow all USBC league guideline rules as published in their manual.
3. This is a handicap league, using 90% of the team average difference each night.
4. Open substitution is allowed with no team roster limit.
5. Bowling the BYE – Teams must bowl within 50 pins of their average each game to win the game and within 150 pins for the series to win the match.
6. VACANCY / BLIND-Use 190 for average, 170 for score
7. The previous year's average will be used until a bowler completes 9 games. Bowlers without a book average from the league will establish their average the first night they bowl.

Points:

The league will bowl against the team on the same set of lanes as them. They will bowl on a 9 point system, 2pts for each game total pins and 3pts for series total pins.

Forfeit:

A team that forfeits must still pay all league fees and prize money for the forfeited week. The team receiving the forfeit must bowl that evening.

Snow:

Anchor Lanes has the ability to call off the league due to a snow storm. Teams will be notified by 5:00pm if league is called off.

Make up:

Teams not able to field a team for a league session have one week to make up that session. Captains should contact the opposing team captain when a conflict occurs.

Season:

The League is split into 2 – 13 week ½. The league will have 13 teams, so each team will bowl against every team once per half and have 1 bye each half. Week 14 – Jan 2nd will be a Fab 5 tournament with a meal included. All league bowlers are invited to be here that evening. Week 28 – April 10th will be a roll off between the first and second half winners, any ties for a half will be broke by their head to head competition for that half. (Points Won.) Week 28 will also be a team pins over average tournament with all teams except the team with the fewest amount of combined first and second half wins. That team will use week 27 scores for the pins over average tournament for the prize money. There will again be a meal included on week 28 which is for ALL bowlers.

Prize Money and tournament winnings will be paid out on week 14 and 28.

Bowling will begin at 6:30 on Jan 2nd and April 10th when we have the meals and tournaments.

It is still mandatory that all teams show up for the 14th and 28th Week.
